

The majority of us will miss this Christmas. It is so easy to get caught up in the swirl of activity and find ourselves physically exhausted and spiritually empty at the end of the season. What if this year is different? What if you end the year rested and start the new year spiritually invigorated and transformed? A new Advent devotional is coming to you this season to make this a reality in your life.

This interactive devotional emerges from two friends spending countless hours together in prayer and their desire to draw you into an intimate engagement with the Savior. It is uniquely composed of the authors' letters to you and does not stop abruptly on Christmas Day but leads you to continue unwrapping the gift of Jesus all the way to the Epiphany! Each devotional includes a page for writing your heart to God.

How has "Advent to Epiphany" impacted readers?

Advent is, from first to last, a love story. This devotional captures this sense, drawing us into our own life-changing encounter with the divine. The result is profound, lyrical and compelling in all the right ways. I want to gift it to everyone I know. Miriam Dixon, Pastor at First Presbyterian Church in Golden CO

Liena and Jacqueline build for you a place where hindrances fall away, your heart becomes free, and you find the greatest treasure of all...the revealed presence of Christ. Out of all the devotionals I have read, this brought the deepest revelation, heart-felt change, and healing to my soul. Sheryl Velin

I have always wanted a devotional like this but never pictured what it looked like. My connection to Jesus and his story intensified and deepened as did my desire for more of my Savior. Chaplain Brian Tidd, USAF Auxiliary

Your heart will be warmed and your faith deepened as you journey with Liena and Jacqueline from Advent to Epiphany. I highly recommend this devotional. - Marlene Bagnull, Write His Answer Ministries

This book of meditations brings the pray-er on a spiritually insightful journey, full of profound thought and tender wisdom. Born of the rich prayer experience of the authoresses, it is a valuable companion piece to any who would like to enrich their own experience of the Season of Advent. Catherine S. Hubka, The Lanteri Center for Ignatian Spirituality

This devotional does not allow me to stay at a purely intellectual, theoretical level, but gently brings me step by step into a deeper sense of God and dialogue with both myself and my Savior. Roselene Robinson, Teacher & Spiritual Director
